## **The World As I See It** Albert Einstein

The most advanced and celebrated mind of the 20th Century, without a doubt, is attributed to Albert Einstein. Instead of his hard science and advanced mathematical theories, which often go far beyond the minds of average people, this book allows us to meet him as a person. This interesting book allows us to explore his beliefs, philosophical ideas, and opinions on many subjects so we can walk away afterwards knowing and understanding one of the world's greatest intellectual giants. Subjects include politics, religion, education, the meaning of life, Jewish issues, the world economy, peace and pacifism. One does not need an advanced degree in math or physics to appreciate the genius of Einstein, shared so clearly by the man himself in this book.
